

## Frederick Regis Dupre

June 19, 1939 - January 4, 2017

Fred Dupre, age 77, of Winter Garden passed away on January 4, 2017. Fred was born in New Hampshire, the only child of George and Evelyn Dupré. He grew up in southern Maine. He received his bachelor's degree from Nasson College. He taught school before attending Moody Bible Institute in Chicago. Fred loved theology and music, especially classical music, but hymns were his favorite.

Fred worked at Eliada Children's Home in Asheville where he met and married Margaret Howard Dupré. They moved to Florida in 1976 where he worked for Calvary School teaching math. He also taught at Orangewood School and spent 20 years in the corporate library at Disney. Fred served as an elder and deacon and was currently a member of Ascension. He labored almost daily on his computer on hymns, having created an entire hymnal for Covenant Reformed Baptist.

In addition to his many labors Fred loved his pets very much, especially their dogs Von Lieban, Goldie and Blackie, and his cats Pumpkin and Whitefoot. He is survived by his wife, Margaret, several aunts, uncles and cousins.

In lieu of flowers donations can be made in Fred's memory to:
